

Iron bender for reinforcing steel (m/f/n)

We're looking for:

- Iron bender (m/f) for our three locations in Trebbin (close to Berlin), Zwickau (close to Leipzig/Dresden) and Butzbach (close to Frankfurt/Main).

Your tasks:

- Processing of customer-specific orders on our machines
- Operation of cutting, bending and straightening machines

Your profile:

- Work experience in a production company desirable
- Ability to work in shifts
- Willingness to work outdoors
- Crane licence and forklift licence an advantage

What you get:

- Fixed salary with a performance related part
- Permanent position
- Social Security (Health insurance etc.)
- Days off in a role for driving home

If interested please send your CV to j.otto@tsg-trebbin.de
